The **examination period** for the Summer Semester 2021 is scheduled for:

**Monday, 12.07.2021 – Friday, 30.07.2021**  
for regular exams and  
**Monday, 31.05.2021 – Saturday, 21.08.2021**  
for repeat exams

AWP subjects will be held in the period between  
Monday, 05.07.2021 - Saturday, 10.07.2021

while coursework-related proof of performance (e.g., prerequisites for admission to exams) can take place before this period. Examination Committees may set different dates in consultation with the deans.

**Exam registration** must be done in the period between

**Friday, April 16 and Friday, April 30, 2021,**

via the Intranet of the Deggendorf Institute of Technology. Students who are completing their internship semester or semester abroad can also register for the exam in writing during this period. The study centre will notify you via email about the deadline for checking the exam registration.

You can **withdraw from an exam** for which you have registered at all times without the need to specify a reason. If you want to **de-register** for an exam, you are **strongly requested** to do so online in the PRIMUSS portal or by writing to the study centre no later than seven days before the exam. This also applies to coursework-related proof of performance (e.g. AWP subjects) that takes place before the exam period and for which registration is required.

Note: If you **de-register** for an exam after it starts, a medical certificate must be presented. The certificate must state that the reasons for de-registration were not known **before the exam began**. The Examination Committee decides about whether these reasons can be accepted or not.

**Grades are published from Tuesday, 31.08.2021**, on the university's Internet and/or Intranet pages.

**Exam review** is possible from **Monday, 11.10.2021 to Friday, 29.10.2021**, in consultation with the examiner during the respective consultation hours.
